BIOGRAPHY

Real name: **Juan Jesús Maya Cruz**

Category: **Club DJ**

Location: **Marbella / Spain**

Genres: **Deep House, Melodic Techno, Tech House , Downtempo**

DJ Since: **2002**

Born in 1984, Juan Jesús Maya aka Aktorse originally from Almería (Spain)

A dedicated, self motivated and young producer, Aktorse is an electronic music lover.

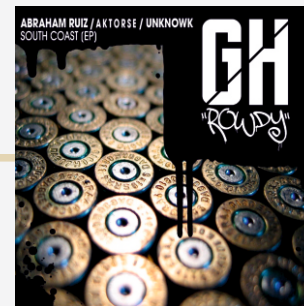

In an early beginning, Aktorse started to listen music from most popular clubs of the Spanish 90's scene provoking curiosity in the electronic music world. While growing he was focused in other different styles and tendencies.

In 2004-2005 he started to play in clubs and promoting events with Four Play Collective around Almería area.

When he moved to London in 2009, he got inspired by the underground night city scene of clubs and warehouse where he took some new influences moving forward to deep house styles with exciting variety of sophisticated rhythms and sounds. There, he managed with his friend to create a record label called Nifu Nifa Records. He has played in one of the best clubs in Europe as Fabric London in room 1 and also at Privilege Ibiza.

Aktorse has always shown passion for music, making brilliant House trips with his creative mind introducing some intelligent touch, which makes his dj sets an exceptional combination to enjoy on the dance floor.
